## Wrekin Forum Principles

All associates:

- embrace the guiding spiritual principles of
  - the Interconnectedness of life and the unity of consciousness
  - the intrinsic value and potential of each individual
  - a deep respect for the wellbeing of all interdependent life forms
  - a planetary ethic of interdependence
  - the recognition that both diverse faith traditions and secular knowledge contribute to our collective wisdom
- are willing to work collaboratively within the Forum to bring the vision into practical form and to co-operate in a spirit of reciprocity, love and appreciation
- affirm the diversity and autonomy of all associates
- are willing to re-evaluate assumptions and explore new ways of thinking
- are seeking to embody spiritual values in everyday life

I / We support the aims and vision of the Wrekin Forum and the principles set out above and would like to apply for association.	
I / We are happy for my / our contact details to be made available to other associates within the Forum.	
I / We give permission for our contact details to be displayed on the Wrekin Forum website.
